

LIFETIME ACHIEVEMENT AWARD

The Lifetime Achievement Award honors an individual for their outstanding leadership contributions to the association, the independent agency system, and community.

Body of work and longevity are taken into consideration. Nominees may be retired. Award may be given posthumously.

Alice Jane Danduran, CIC, Danduran & Associates Insurance Agency, Inc., Columbus

Nominated by: Carl Stoecklin, CIC, CPIA, Broz Insurance Agency, Cincinnati

Nominated for her many years of service to the association and her help to take us where we are today.

Jane Danduran served as the president of Professional Insurance Agents Association in 1986 and 1987. She was among Ohio's charter CIC designees and has held her CIC designation for more than 45 years.

From 2008: "Against all odds, I started this agency in 1975, with little to no business experience and PIA of Ohio, then called the Ohio Mutual Agents Association, played a huge part in helping me gain confidence in that decision," Danduran said. "When the CIC program became available in Ohio, it was just what I needed to gain the additional knowledge I needed and perhaps more importantly, the credibility it lends to agents that complete the program. PIA and the CIC program continue to be a much needed partner for our agency."

Danduran's granddaughter, Abigail Blakeway, earned her CIC designation in 2007 and her grandson, Rob McSweeney, CISR, CPIA, vice president and treasurer at Danduran & Associates Insurance Agency, Inc. is currently working on earning his CIC.
