

COMMUNITY SERVICE AWARD

Honors an independent insurance agent or agency that has provided extraordinary service within their local community.

Phelan Insurance Agency, Versailles

Nominated by: Julia Drees, Phelan Insurance Agency, Versailles

Phelan Insurance has given back to the community from the very beginning, in every way that they can. The video submitted highlights some of the ways that they serve and give back to our community. In addition to those items, monetary donations are made to local organizations to support their cause; whether it's a fundraiser, sporting event, purchase of trophies, purchasing footballs, basketballs and pom-poms to throw out at games and much more. 25 Days of Giving is also something that the Agency does. Around Christmas time, Associates nominate local non-profits to give a donation to and at the end, they all get voted on and the top 2 get a larger donation. Phelan Insurance is very involved in the community and always strives to give back.
