

COMMUNITY SERVICE AWARD

Honors an independent insurance agent or agency that has provided extraordinary service within their local community defined by:

Ryan Pessell, Hitchings Insurance Agency Inc., Findlay

Nominated by: Kurtis Brown, Central Insurance, Van Wert

Ryan and his agency started a program to get kids at their local schools to read more. Each kid that reads a certain amount of books over the summer, is entered into a contest to win a bike. Ryan and Kari then deliver these bikes to the winning kids at each school and provide a gift certificate to purchase a helmet of their choice. (This is insurance, safety first!) This is a fantastic way to give back to their local Findlay Community.

They also delivered pizza to all their local first responders during the pandemic and had huge shout out to those folks on all of their social media platforms. It just goes to show they genuinely have their community at heart as they go about their daily lives!
