Customer Care

Lower costs

Outsourcing to Taskforce will reduce your overhead and lower your labor costs.

American owned and managed

Client service outsourced to the ideal location of Macedonia and committed to proactive customer service.

Industry-leading qualification and turnover

Well-educated, multilingual workforce with less than 10% turnover rate, best among global peers.

Solving your workforce challenges

Efficiency, employee motivation, healthcare and insurance costs, competitive labor market, rising minimum wage and high turnover.

Skilled, flexible, scalable team

400+ employees focused on providing business support services in insurance, healthcare, accounting, advertising and customized services.

Broad array of Insurance services

We build dedicated teams of insurance professionals to improve your processes and reduce your administrative workload.

Gradual Implementation

Ability to test one employee at a time and prove Taskforce's value.
