ENCOVA INSURANCE INTRODUCES BUSINESS OWNERS PLUS

Encova Insurance's new Business Owners Plus product gives you more flexibility to meet the evolving needs of your small business clients. Combining the simplicity of a traditional business owners policy with the flexibility of a package policy, Business Owners Plus allows you to tailor coverage more effectively while helping businesses grow.

Key advantages include broader coverage customization, expanded eligibility and the ability to add coverages including business auto, inland marine and crime directly to a single policy. With competitive pricing, enhanced protection options and a streamlined quote-to-bind experience, Business Owners Plus provides a modern approach to insuring today's small businesses. Contact your Encova agency manager to learn more or visit encova.com for information about getting appointed.
